Collection 2015

We are going to join International Trade Fair (interior lifestyle TOKYO) held in Tokyo from 10 to 12 June 2015, and will present our latest and popular products at our booth. (Tokyo Big Sight West Hall 2-224)

The main products of this year we present at the fair are Jars for tea leaves and coffee beans made from Wild Cherry Bark.

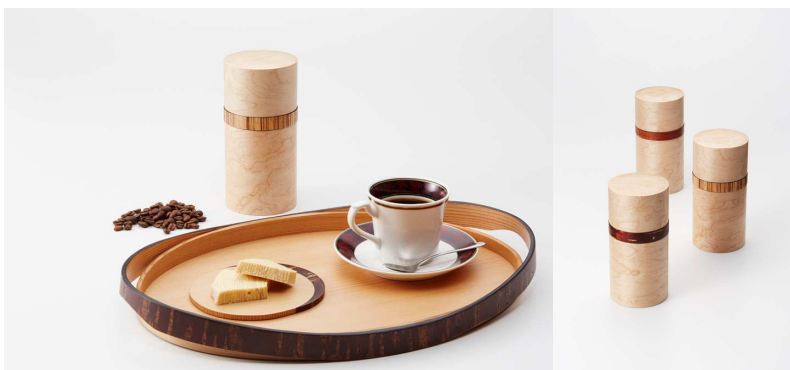

We look forward to seeing you at interior lifestyle2015 in Tokyo !

Join

You can stack these tiny tea caddies made of KABA (Wild Cherry Bark), each contains up to 100g tea leaves, as magnets are hidden inside of both top and bottom of the KABA tea caddy.

Bird's Eye

It can be coffee beans jar as well as a tea caddy for Japanese, Chinese and other tea leaves up to 200g.
